In response to inquiries regarding the de-In response to inquiries regarding the de-predations of insects to which the wheat crop is now being subjected, and in a reply to the article which appeared in your issue of yesterday, by a farmer, relative to a small insect which is damaging the wheat crop very much in this section, a beg to say that from information received the "Hes-sian fly" is doing much damage to the wheat. The best remedy now known for wheat. The best remedy now known for the destruction of the "fly" is lime, "air-slaked" or slaked in water, and then pulverized, after drying. Two bushels per sere is sufficient, though as much as thirty has been used without injury. This remedy was probably first advised by William Tate, of Augusta, in the Farmer's Register. forty or more years ago. It has been successfully used since by many farmers, among them Colonel F. G. Ruffin, who

speaks very positively of its value.

The insect described by your correspondent is "Aphis," (from a Greek word meaning to exhaust,) or plant-lowe. It is a very ing to exhaust,) of plants of a very least response response of a very least response respectation response response response response response response protection of a veil over the face. There is very little danger from its use. Probably n might be well to substitute lime in place of the plaster. The time is chesper, and slong with Paris green to des roy insects, nounds to tobacco-dust and some other or Peruvian guano, to the amount of 1,800 Colonel Ruffin snegests mowing the whest. Probably rolling will do good. Respectfully. THOMAS POLLARD,

Respectfully. THOMAS POLLARD, Commissioner of Agriculture. for Paris-green. It is cheaper. They are both arsenical compounds. It is claimed to be 20 per cent. stronger and half the cost of Paris-green. Other papers will please copy for the ben-

efit of the farmers. It may save them many thousands of dollars.

Very respectfully, Thomas Pollard.

HOUSE OF REPRESENTATIVES. After prayer by the Chaplain the Speaker declared that the first business in order was

that the Journal of one day should be read at the desk immediately after the assembling of the House on the following day.

Mr. Reed contended that on Tuesdays the Journal could not be read until Monday's Journal had been approved, and he referred as his authority to Rule 24, which declares the order of business—"After the Journal has been read and approved."

Mr. Gartield, of Ohio, quoted, in support of Mr. Reed's position, section 5 of the Con stitution, which provides that each house shall keep its Journal—not that the Clerk shall keep it.

Mr. Blackburn quoted from "Cushing' Mr. Blackburn quoted from "Cushing's Manual" in support of his position.

After a short but confused debate upon Mr. Blackburn's point of order, which was participated in by Messrs. Blackburn, Hutchins, Reed, F. Wood, and Newberry, the Speaker stated it was competent for and obligatory upon the House to approve it Journal. The Chair would, however, sub-mit the question whether the Journal of yesterday must be read before the Journal

After some further debate, the question whether yesterday's Journal should be read was submitted to the House, and decided in the negative by a vote of 127

of Monday must be approved.

Much confusion ensued. Points of order of all sorts were raised, and motions to adjourn and to take a recess were suc-

essively voted down.
The Speaker finally ordered the reading of the resolution of Mr. McLane, of Maryland, setting forth that Mr. Townshend's bill had been improperly referred, and di-Ways and Means.
This resolution Mr. Garfield agreed to

mend the Journal, made by him, but not finally acted on vesterday. The Speaker said the pending question was whether Mr. McLane's resolution pre-

sented a question of privilege under House After much wrangling and confusion, the Hou-e decided by a vote of 135 to 98 that it did present such a question and was ad-

Mr. McLane demanded the previous ques tion thereon.

The supporters of Mr. Townshend then esorted to filibustering to prevent action on Mr. McLane's resolution.
At this hour (9 P. M.) the House is still

sesson, and the flibustering continues.
At 10 o'clock Mr. Ewing, of Ohio, moved to adjourn.
Mr. Garfield asked if, in case of adjournment, his (Ewing's) associates would con-sent to vote on Mr. McLane's resolution to

morrow.

Mr. Blackburn said no agreement could be had without unanimous consent, and that would not be given in the next twelve

months. The motion to adjourn was defeated-

ayes, 67; noes, 72.

10:30 P. M.—The filibustering still conabsent without leave. The Sergeant-at-Arms soon appeared with a number of delinquents, and the usual amusing scene were enacted as these gentlemen made then

excuses for absence.

Mr. Steele, of North Carolina, in presenting his excu-e, ascended to the Clerk's de-k, and, smid great laughter and a storm to hear on this solemn occasion.

Midnight.—The House is still in session

with no prospect of adjournment.

FIRE RECORD.

Fine Family Residence Burned.

[Special telegram to the Di patch.] PETERSEURG, VA., March 24 .- The fine family residence of Mr. A. B. Cook, in Chesterfield county, three miles from this city, one of the oldest family-seats in this section, was burned this morning during the prevelance of a high wind. Nearly all of the furniture was destroyed, and Mr. Cock, parsengly executed with his life. In the content of the many and expresses confidence in the speedy settlement of affairs in Afghanistan. Referring to measures for the relief of the distribution, she says she trusts they will be accepted by her Irish subjects as a proof of the ready sympathy of the Imperial Parliament. Concerning the commercial and industrial depression, her Majesty rejoices in Irish and the furniture was destroyed, and Mr. Cock parsengly executed with his life. In the content of the ready sympathy of the Majesty rejoices in Irish and the prevention of the furniture was destroyed, and Mr. Cock parsengly executed with his life. Oil-House, Machine-Shop, and Six Dwellings Burned.

PARKERSBURG, W. VA., March 24.—During the high winds of yesterday a fire broke out in Harry Thomas's oil-store, on Kanawha street, which threatened the struction of a large part of the city. The building, with six small frame dwellings and A. D. Cole & Brother's machine-shop, were destroyed. Loss, \$15,000, of which Cole & Brother lose \$10,000; insured for \$790. Thomas loses \$1,000; no insurance. R. Logan loses \$1,000; insured. Steamboat Burned,

VICKSBURG, MISS, March 24.—The steam-boat Little P. was burned to-day in sight of this city, while coming from Yazoo river. The boat and cargo of over 100 bales of cotton is a total loss. No lives were lost. Destructive Conflagration in Sau

Domingo. NEW YORK, March 24.-News was re

eived here to-day of the destruction by fire of the entire business portion of Samana Santo Domingo, on Tuesday the 9th instant The tire covered the space of about six and the poor would be on the verge o starvation were it not that the country around Samsna abounds in fruit, on which all are subsisting. The most disgraceful scenes of pillage followed the fire. The loss is estimated at \$1,000,000.

THE TROUBLES BROKEN OUT AFRESH-THE SITUATION MORE UNSATISFACTORY THAN EVER. SAN . FRANCISCO, March 24 .- The troubles

here have broken out afresh. The Sand Lot has resumed its fulmination, the newspaper war broken out again, and, apparently, all the recent pacific plans between the committees and leaders of the Citizens' Union Projective party and the Workingmen's party bave been thrown aside by both. This state of affirs result from dis agreements between the conference committees, aggravated by the recent sentences imposed upon the Sand-Lot orators for using incendiary language, and is complicated with the coming local election of a State senator and combinations afoot respecting the United States senatorship. The situation is more unsatisfactory than ever.

Railroad Matters.

LOUISVILLE, KY., March 24.-At the Board meeting of the Louisville and Nashville Railroad Company this morning E. D. Hamford tendered his resignation as president in consequence of ill health. H. Victor Newcomb, vice-president, was elected as president, and E. H. Green, second vice president, as vice-president. C. C. Bald-win, of New York, C. H. Clark, of Philadelphia, and L. C. Murray, of Louisville, were elected directors. All the differences between the Nashville and Chattanooga Company and the Nash

ville and Louisville Company have been adjusted. Death of a Naval Officer. Norsolk, March 24.—Chief-Engineer Harman Newell, United States navy, died at his residence, in the navy-yard, lost night. His funeral will take place to-morrow, and will be attended with the customary bonors; after which the remains will
